Thanks Whitney, attached are clean and mark-up versions that I will send to Jeaneanne et al shortly, so that this can be forwarded up to leadership today.

Thanks Whitney and Kathy. Regarding the FRN we send up to leadership, I think we can include a single comment bubble on the 30-day effective date for the PA that communicates the following, and I'm copying Simma, Mita, Matt, Michael, and Kavita to weigh-in:

Ex. 5 AC/DP

Hey Tom,

For the second issue re: the 30-day PA effective date, I just talked to Kathy and she recommended putting in a bubble comment for when the doc goes up for leadership review. I think it could say:

Ex. 5 Deliberative Process (DP)

Staff Response: OGC staff is currently briefing their management regarding the PA and its effective date.

Best,
Whitney

Hey Tom,

We didn't delegate that task so if you're able to do it, that would be great since you'll be sending the FRN to Jeaneanne. We already mention the responsiveness summary in the FRN and point people to the docket, but just need to add language acknowledging that there's a decision document as well, and that people can find it in the docket. We emailed John & Mindy with the team's plan and haven't heard objections!

Best,
Whitney

Whitney and Kathy – I left today's call before hearing whether anyone specifically planned to take the pen to address John Goodin's comments. I don't mind doing it myself, but please confirm that he suggested Ex. 5 Deliberative Process (DP) Is that accurate? Also, did you close the loop with him/Mindy? Jeaneanne wants to share the FRN with leadership this afternoon. Thanks, Tom
